

**Company:** Selbert Perkins Design

**Project:** Los Angeles World Airports, Los Angeles, CA, USA

Selbert Perkins Design created the comprehensive communications system — including name, brand identity, signage and wayfinding, as well as public art — for Los Angeles World Airports and a unified family of identities for Los Angeles (LAX), Palmdale (PMD), Ontario (ONT) and Van Nuys (VNY) Airports. The system includes the landmark LAX Gateway, the largest lighting display in the world. This celebrated gateway communicates the timeless energy and diversity of LA, and provides a dramatic experience for all visitors to the USA
